TOWN QUINT WINNERS IN WOMEN'S TOURNEY

By a Count of 47 to 38 in Final Game, Thetas Are Forced to Take Second Place.

	W.	L.	Pct.
Town	8	1	888
Kappa Alpha Theta	7	2	777
Kappa Kappa Gamma	7	2	777

Town 47, Theta 38, was the score of the coed basketball championship contest Friday afternoon. Town now holds the feminine basketball honors of the institution. The game was fast and hard fought, but toward the end of the last half the contest was all Town. This is the second time the Missoula co-eds have vanquished Theta.

Faust of the Town five scored the first basket of the game. McAuliffe then evened things for Theta. A minute later Burkhart scored again for Town. The Theta star forward missed the first two fouls of the game, but Bruneau even the count by hooking a basket. Christenson and Faust each ringed one. McAuliffe then counted from the under the basket and on two fouls counted a point from the free throw line.

Game Fast.

The game was fast, the passing and guarding good, the score nearly even when Burkhart scored twice, putting Town in the lead. McAuliffe brought back the hopes of Theta by ringing one, but Faust also scored. McAuliffe, who was playing a star game for the Greek sisters, then found the basket twice. Christenson, the speedy forward, after having had luck finding the basket, scored. It was here that Theta played their best basketball. Wagner, the tall Greek sister, scored, followed by two points by McAuliffe. On two free throws the star forward added another point for Theta. Burkhart missed the first two fouls called on Theta, but scored a basket a minute later. On the next free throw Burkhart found the basket and scored two baskets a minute later. Bruneau then found the hoop with McAuliffe scoring a minute later. Burkhart then made four points for Town, putting them again in the lead. McAuliffe scored a free

STUDENTS EARN \$5,607 ACCORDING TO REPORT

One hundred seventy-eight students earned \$5,607 during January, according to the official report of George Shepard, secretary of student employment.

This makes the average monthly wage of students earning part or all of their way through school slightly over \$31.

"Of course," Shepard said, "there are a few students earning their way through who have not received their work through the student employment bureau, so I figure that there are close to 200 students working." Shepard also said "It is now an absolute fact that any student having the ambition can carry the average amount of work, get average grades, take part in student activities, and at the same time earn their way through the University without overtaxing themselves."

Senior Pictures Will Be Taken February 28-29

Owing to the influenza quarantine and other follies of the times, a number of students were unable to get to the Showell studio to have their pictures taken for the Sentinel. There are also a number of Seniors who have had their photos taken only with the cap and gown. The Sentinel wishes pictures of the Seniors both with the cap and gown and without.

Mr. Showell has agreed to take the pictures on Saturday and Sunday, February 28 and 29. There will be no other time available to secure Sentinel pictures.

INFLUENZA ON DECLINE STATES W. E. SCHREIBER

Expect to Close Hospital Soon; All But Four Students Have Recovered.

"It looks fine, just fine," said W. E. Schreiber, physical director, regarding the flu situation yesterday. "We expect to close the hospital at the end of this week. There are only three cases left."

The remaining cases are Lucille Speer, Helen Rudd and Ivan Windsor at the University hospital, and Reynold Fuson at St. Patrick's. No other cases have been reported. Alva Reese is also confined at the University hospital with ear trouble. There are several convalescents who have been discharged recently and are recuperating at home, and according to the opinions of local physicians, who have been called in attendance on University students, the epidemic for this year may be said to be over.

ANNUAL GRIDIRON FEAST STAGED BY JOURNALISTS

Local Newspaper Men and School Scribes Undergo Barrage of Panning.

The University Press club with members of the newspaper profession as guests celebrated its second annual gridiron dinner last Saturday evening at the Palace hotel.

Letters from Dean Stone and other absentees were read during the banquet expressing their desire to be in attendance and extending sympathy to the diners at being subjected to the speeches of certain individuals.

A skit laid in the office of the Kaimin in 1935, depicted the students of that day putting out The Kaimin. As part of this skit the Incinerator was distributed among the diners. The Incinerator is a miniature paper, first published at the dinner of a year ago. The paper made evident that it was in its "Bulldoze" edition. Its avowed purpose was more than accomplished in "panning the people of the press."

Professor W. E. Christensen acted as toastmaster. M. J. Hutchens of the Missoulian Publishing company, spoke on the subject "My Favorite Color." R. G. Linebarger, the new editor of the New Northwest, gave an account of his experiences in the newspaper field. French Ferguson, managing editor of the Missoula Sentinel, gave his opinion of "The Hardest Part of a Swivel Chair." Professor J. E. Miller of the history department, talked on "The Fearful Faculty." Miss Sadie Erickson, Ellsworth Mosby and Lloyd Thompson also responded to toasts.

M CLUB INDORSES BIERMAN AS COACH

MEN WILL WEAR LETTERS EVERY THURSDAY

Oppose the Wearing of University Sweaters by Anyone But Numeral Winners.

The M club, at its regular meeting held yesterday afternoon in the gymnasium, went on record as being unanimously in favor of retaining B. W. Bierman as athletic coach for the coming school year. Resolutions to this effect were drawn up and signed by every M man in the University. The resolutions will be sent to Chancellor E. C. Elliott at Helena.

The members of the M club were also unanimously opposed to the wearing of the Varsity sweater on the campus by anyone except those who have earned this honor. The club is also opposed to the wearing of high school sweaters, jewelry or numeral sweaters of any kind by any member of the student body. In the future no man or woman will be allowed to wear any part of the Grizzly uniform except members of varsity teams or M men.

This Thursday and every Thursday hereafter M men will wear their sweaters to classes. M men will also appear in Varsity sweaters at every University athletic contest in the future. This action was taken by the club to show students the wearers of the University letters and the estates with which it is held.

James Dorsey was named as a committee of one to select numerous insignas for a pin for the M club. The pin will be original and when ordered will be worn by every M man on the campus.

The dance committee was instructed to arrange for another hop in the near future. The money realized from these affairs will be spent for stationary and publicity in showing to high school students the advantages of the State University and its athletic record.

The next meeting of the M club will be held in the lecture room of the Natural Science building, next Monday at 4 o'clock.

COMMITTEE TO SPONSOR STUDENT VODVIL SHOW

Faculty Requires Statement to Assure Proper Conduction of Program.

The A. S. U. M. executive committee will be responsible for the show which is to be put on by the A. S. U. M. March 27, was the decision reached by that committee at a meeting last Wednesday.

After the Hi Jinx performance the faculty of the University issued a statement suspending all further student activities unless some means of supervision and responsibility could be adopted. Acting President Scheuch has required a statement before further plans for A. S. U. M. night are made and the committee will take the responsibility.

Pat Keeley, manager of A. S. U. M. night, also made a report that the various organizations on the campus are not taking enough interest in the show. Plans were discussed to find a means to further the interest.

Agnes Crangle of Butte is visiting her sister Isabel at the Kappa house. May Grant, a former student, is visiting at the Kappa house.

Track Season Opens

"The first track work of the season will be held today," said Coach Bierman. "Only easy workouts will be in order until the weather becomes warm enough to permit outdoor work. If possible Montana will send a relay team to Seattle to take part in the relay meet that takes place there on April 24. There are a number of good men for relay work in school and there is no reason why Montana cannot turn out a winning relay team," said Coach Bierman.

RAIL PROBLEM SUBJECT FOR BENNETT CONTEST

Contestants May Have Essays in Before April 28, Says Dr. Phillips.

The railroad problem has been selected as the subject for the Bennett essay writing contest for 1920. The contest is open to all regular undergraduate students of the University. Contestants must have their essays in to Dr. Paul C. Phillips, head of the department of history and political science by April 28, 1920. The student who writes the winning essay in this contest will be awarded the interest on \$400 in money or a medal of equivalent value, at the option of the successful contestant. No prize will be awarded if the judges think that none of the essays are worthy of recognition.

A complete bibliography of references should be indicated. The essay must be signed with a pen name, and the name of the author together with the pen name should be placed in an envelope and handed in with the essay to Professor Phillips sometimes before April 28.

THREE DEBATES LEFT ON VARSITY SCHEDULE

Triangular Debate with Idaho and Utah Scheduled for April.

The University debate teams will participate in three more debates this year. Two of these will be in connection with the Triangular debate in the middle of April, and the other will be with Washington State College on March 5.

Two of three men will be selected to represent Montana at Pullman. They are Matt Pearce, Jack Rice and Oakley Coffee. The question is "Resolved, That the Plum plan should be enacted into a law for the railroads." Montana will take the affirmative. Professor E. W. Freeman, coach of the team, said that Montana would be handicapped in this debate in that the University has the hardest side and will be represented by a team composed of freshmen.

Montana's first debate in the Triangular will be held here in April with Idaho, and the second, with Utah, at Salt Lake. Montana will be represented by Oakley Coffee, J. A. Farmer W. H. Higanthen, P. W. Smith. The question to be debated is "Resolved, That there should be compulsory arbitration for labor disputes connected with public utilities. Montana will take the affirmative in the debate with Idaho and the negative with Utah.

GRIZZLIES TO PLAY AGGIES IN BOZEMAN

BRUINS WILL LEAVE WEDNESDAY ON TOUR

McKain, Regular Center, Will Not Accompany Squad; Adams New Varsity Man.

Next Wednesday morning the Grizzly basketball team will leave for its last tour of the 1920 season. The first stop will be made at Butte, where the Bruins will meet the Miners Wednesday night. Next they will sojourn to Bozeman, and tangle with the Aggie hoopsters Thursday and Friday, finishing up the circuit with a contest with Montana Wesleyan Saturday night.

As the mines team is weakened on account of the injury to Captain Hale's knee, the bears expect easy meat in the first game. Mount St. Charles inflicted a heavy defeat upon the miners in a recent game. The Bozeman games, however, will be interesting disputes. The loss of Neil McKain, who recently left school, is counteracted by the fact that the men are in far better condition than when they last met the Aggies. The addition of Harry Adams as forward has strengthened the team materially. After two hard games with the Bobcats the Bears may not look so formidable to the theologians, and the Wesleyan game may also be a hard contest, but Physical Director Schreiber is confident that the tour will be one of triumph.

The last games of the season will be played on the home boards on Friday and Saturday of next week, when Idaho invades Grizzly ground.

Sisson Wins Health by New Golf Exercise

"I have gained 10 pounds. I spend an hour or two every day swinging the axe which is my term for golf," said President E. O. Sisson of the State University, who is on a leave of absence at Pacific Grove, California, in a recent letter to J. B. Speer, official registrar at the University.

President Sisson is spending a great deal of time studying and writing and will offer a course in educational sociology during the spring quarter. He says he hasn't felt so well in 20 years. President Sisson expects to return to Missoula by March 19.

Septimus Sisson, a brother of President Sisson, and family, are also spending the winter in California. Mr. Sisson is professor in composition anatomy at Ohio State College and is on a leave of absence.

Interfraternity Ball Will Be Formal Affair

The interfraternity ball will be held in Union hall, March 13, according to Andy Boyd, chairman of the committee in charge of the dance. The dance will be formal.

The following committee are planning the dance: Lambert DeMers, finance; Wallace Lynch and John Toole, decoration; Everton Poindexter, programs; Charles Morrow, invitations. It has been decided to have the programs in form of a skull. The plans for decorations and invitations are not yet complete.

SENTINEL STAFF MEETING

There will be a meeting of the Sentinel staff in the journalism building at 4:30 o'clock Wednesday afternoon.

TUESDAY, FEBRUARY 23, 1920.

WE WANT BIERMAN

The hardest blow which University athletics has received this year was not when the Aggies visited us and administered the Bruins two straight decisive defeats in basketball, but it came when Coach Bierman made the announcement that his services as Varsity coach would end at the completion of the present college year. We can stand defeats, for they are of only temporary concern. Defeats are to be expected in the course of a season's work. But when something happens which promises to mar and demoralize the future, it is time for serious thinking and acting by all of us.

We cannot question Bierman's ability as a coach. Those of us who had the opportunity to see him mold a small squad of football men into a machine that made its mark on Northwest Conference grid-irons, can realize the fact that the University will lose a hard, consistent worker, if Coach Bierman makes good his intentions to resign. We know what Bierman can accomplish in the face of difficulties and discouragement. What would he do under conditions more favorable, and we have every right to believe that the 1920 season will be the best in the athletic history of the University. We would like to see Coach Bierman work with the odds in his favor. We would like to see all the elements which go to make up a football season with him instead of against him. We want Coach Bierman. We realize the necessity of retaining him as the Grizzly coach.

Perhaps it is not generally known that Coach Bierman's decision to resign is not based entirely on the question of salary. The salary question can be adjusted easily through the combined efforts of students and alumni. The fact is that the student body has never definitely expressed itself in regard to Coach Bierman. There has been an all too evident lack of real understanding between the coach and the students. Coach Bierman's services have been appreciated but the student body has never registered a sign of approval. It is a serious handicap for a coach to face, not knowing whether he has or hasn't the support and good will of the students. Coach Bierman, we feel, has the support of the students. We have heard of a few cases of disapproval, but investigation shows that the principals concerned had at one time been treated to a taste of discipline. There is no doubt that Coach Bierman has student support, but that support has been inactive and without expression. Let us express ourselves by copying the example and progressiveness of the members of the M club, and make good our hopes to retain Coach Bierman. We can make our stand a deciding factor in determining Montana's future in athletics. We must retain Bierman.

SERVICE

Lieutenant Governor McDowell, in his recent Charter day address, spoke wisely and well when he said that this was the age of service, the time when every individual should make his efforts count for something worth while. The field of service and the opportunity for individual effort has never been so good as it is at the present time. We students know the most important field for the exercise of our opportunity for service. The two financial measures are begging for student support. These measures need the helpful influence of every student to obtain the necessary state approval and sanction. Brighten your service record with the performance of a necessary duty. The State University offers a chance for service. Take it.

STUDENTS ARE GUESTS AT ACCOUNTANT'S DANCE

The members of the Commercial club were hosts to the students of the University at a dancing party at the Elks' temple Saturday night.

The program, consisting of twenty dances, was printed in the form of a journal. Each dance was credited nine and the total of 180 was debited to "enjoyment."

The guests of honor were Mr. and Mrs. Shirley J. Coon and Leo H. Schaeffer.

Edna Abbey left Saturday morning for her home in Miles City, where she will remain till the end of this quarter, when she will return to take up her work at the University again.

Y. W. C. A. DEPARTMENTAL PARTY IS HELD FRIDAY

The Y. W. C. A. departmental party was held Friday evening in the old Y. M. C. A. hut. There were about 50 University women present.

The departments of mathematics, physical education and pharmacy put on stunts. The rest of the evening was spent in games, music and dancing. Ice cream cones and marshmallows were served as refreshments.

Helen Fitzgibbons was called to Hamilton last week by the news of an accident to her sister, Julia, who accidentally shot herself while playing with a .22 revolver, last Wednesday.

DORMITORY DINING ROOM OPEN TO MEN BOARDERS

Closing of Simpkins Hall Makes Necessary a Change in Policy.

Fifty men will be allowed to board at Craig hall next quarter, according to Miss Ethel Clarke, director of the dormitory. The first fifty men to sign up with Miss Clarke will be the ones accommodated.

During the first two quarters Craig hall has taken care of women only. The change in policy was made, because Simpkin's hall, the dormitory for men will be closed after March 27, when the ranger school ends. Men will be admitted to Craig hall dining room for the first time at breakfast March 28.

Board for men at Craig hall will be payable strictly in advance, according to Miss Clarke. The rate will be \$26 a month for three meals a day or \$23 without breakfast.

Director T. C. Spaulding of the men's dormitory has announced that all blue tickets issued by Simpkin's hall will be valueless if not used before the closing of the hall, March 27.

NOTICE

A meeting of the Student Council will be held Wednesday at 4 o'clock. The meeting is important and all members should be present.

Millionaires who take in Roomers!

PLAIN, simple country folk down in Texas went to bed one night as poor as the proverbial church mice and awoke to find themselves millionaires! But they cannot accustom themselves to their new prosperity, and they do the most extraordinary things imaginable with their newly acquired wealth. Old Jake Wells went right out and bought himself \$4.80 worth of bananas, ate them, and then just naturally died.

Mrs. Snodgrass, wife of the village doctor (who doesn't know how rich she is), built a large wing on the old homestead so she could take in more roomers!

Another old lady—whose profits quickly passed the million mark—bought "paw" a new ax so he could cut the kindling more easily. And the surprising thing about it all is that *it's true*.

Don't fail to read "Millionaires Made While You Wait" by Frazier Hunt, in the new Cosmopolitan

"Nearly everybody worth while reads Cosmopolitan"

When a financier's wife pawns her jewels

You won't know until the end of the story why she did it.

But when the pretty young wife of a feeble old millionaire is seen to frequent a pawnbroker's, and then enter a cheap lodging-house, being watched by a good-looking detective—well, there's enough mystery, love, action and high finance in this unusual story to satisfy anybody.

"Her Secret"—by Will Payne—is the first of a series of adventures by Ben Bodet, business detective, who—we prophesy—is going to take rank as one of the most interesting sleuths of fiction.

Is parent-love a menace?

Great men almost invariably have had unusual mothers or fathers who played a conspicuous part in shaping their lives. And yet, eminent psychologists tell us that the pampering love of parent for child—unless wisely directed—can do tremendous harm.

Harvey O'Higgins has interviewed one of the greatest nerve-specialists in America on this vital problem.

Nothing more amazing and dramatic has been written about human relationships than "The Love-Image," in the new Cosmopolitan.

DIRECTOR LEYDA NAMES CO-ED ALL-STAR FIVE

Two Town, Two Kappa and One Theta Make First String; Alpha Phi Is Second.

ALL-STAR TEAM

Virginia McAuliffe	Theta
Left Forward	
Helen Newman	Kappa
Right Forward	
Eunice Whiteside	Kappa
Center	
Lois Showell	Town
Right Guard	
Solvay Andersen	Town
Left Guard	
Lillian Quast	Alpha Phi
Substitute	

The co-ed all-star basketball teams were announced by Miss Lucille Leyda, physical director for women, Monday. The following the second team: Florence Faust, Town, center; Bonna Pearsall, Craig Hall, left forward; Alma Burkhardt, Town, right forward; Ann Wilson, Kappa, right guard; Lillian Goff, Theta, left guard; Lillian Christensen, Town, substitute.

Speaking of the members of the members of the first team Miss Leyda said, "Both Virginia McAuliffe and Helen Newman won their places through superior basket shooting. The latter plays the floor well and is better on long distance baskets, while Virginia McAuliffe never fails on a close up basket. These two girls lead in the individual scoring. Eunice Whiteside plays a good game at center, not only getting the tipoff and playing the floor well, but she never loses her head. She also makes a large percent of the baskets. Lois Showell plays a good consistent game as guard, while Solvay Andersen not only guards well but also plays the floor consistently."

It was hard to choose a first team since there were so many girls in the tournament who played good games. Some of the second team ran close seconds when it came to choosing the first team.

ORATORICAL CONTEST TO BE HELD IN APRIL

Nine Students Try for Forensic Honors; Manuscripts Due March 27.

The Aber oratorical contest will be held in the latter part of April, instead of March 19, as originally announced, at the manuscripts are due March 27 for judgment on composition as is stated on the bulletin board. Professor H. G. Merriam, chairman of the committee in charge states there will be no deviation from this latter ruling, and any manuscripts submitted after that date will not be considered and the contest will be ruled out of the contest.

Those who have entered are Katherine Craighead, Thomas Colton, Matt Pierce, Clarence Holmberg, Mark Fawcett, Einar Strommes, Kelsey Smith, George Shepard and Joseph Townsend. The contest is now closed to further entries.

NOTICE

Men who saw service in the navy during the recent war will form a Gob club Wednesday, March 3, in Main hall at 8 o'clock. Those who are promoting the formation of the club are very anxious that all University sailors attend the meeting March 3.

A Kewpie Doll.

The Varsity plays the Mines tomorrow night in Butte. The Miners better start digging for an alibi.

I heard a girl say that we had a musical bunch of fellows attending the University.

I asked why.

She said they were all able to accompany a girl on a hike.

They are a playful bunch.

The journalists are the greatest builders in the world. Only yesterday they added a hundred stories.

Woof! Woof!

"Pa, do they have dogs in heaven?" "Sure, my son, they have sky terriers."

Heard in the A. S. U. M. Store.

Eddie: What kind of candy do you like?

Co-ed: Oh, a crowbar, I guess.

Eddie: Huh, that ought to be a bird.

The latest dance: "The Vernon Clinch."

Editor: Did you say you were hashing for your board?

Reporter: Yep.

Editor: Then you'll have to be our rewrite man and rehash the stories.

Prohibition may come and prohibition may go, but the printers will go on "setting up" forever.

if you bummed a guy for a cigarette and got it on this campus it would be a lucky strike.

I heard a girl say, "I have heard a lot about the Aggies, who are they?"

Such innocence! I wonder if she ever heard of anything bad?

Equal rights for women don't mean anything to a basketball floor. Not when "M" stands for men.

"I have nothing more to say," says the guilty one.

CADET CORPS UNIFORMS WILL BE ISSUED SOON

Drill Regulations are Taken Up by Classes; Officers to Be Chosen.

The R. O. T. C. uniforms will probably be issued soon, as caps, shoes, leggings and other equipment have already been received, and the uniforms themselves are expected to arrive within a few days at the most, according to Captain A. C. Cron. Study of the "Infantry Drill Regulations" is now being taken up by the class in military science, which has been divided in small groups and assigned to various experienced men for instruction. The officer and non-commissioned officer personnel of the two companies will be selected soon. There are also to be special classes in signaling and military engineering. Some of the equipment for these classes has just been received.

NOTICE

All seniors are requested to hand in their University history for the annual to Flora McLaughlin, the senior class representative, or to Ronald Kain as soon as possible.

BUSINESS SCHOOL STAFF PLAN EMPLOYMENT AGENCY

Will Assist Graduates in Obtaining Positions with Montana Firms.

After the new school of business administration is fully developed under the supervision of Shirley J. Coon, newly elected dean, the staff intends to organize an employment bureau for students of that department. Chancellor Elliott will appoint an advisory board consisting of five business men of the state of Montana to assist in obtaining the aid of the Montana business field. The employment bureau will aid graduates of the school in obtaining positions much in the same way as the school of journalism assists its men in procuring places on Montana newspapers.

PERSHING'S CRUSADERS AT UNIVERSITY NEXT

Film Will Be Sent to 14 Other Montana Organizations; Mostly Schools.

Pershing's Crusaders, the second of a series of moving pictures sent to the University by the United States commission on public information for distribution over the state, will be shown at the new science hall auditorium a week from Thursday night.

No films will be shown this week. There are still 46 films to be received. Fourteen organizations in the state get weekly service. They are the public schools in Missoula, Helena, Corvallis, Townsend, Opheim, St. Regis, White Sulphur Springs and Manhattan; St. Charles college, Ursuline academy in Great Falls, American Legion in Butte, Methodist churches in Glendive and Fort Benton.

Initial Showing of Spring Millinery

Creations from the Studios of Fisk or Gage, as well as the latest style whims in the LeWharton Chapeau; America's smartest of Black Hats

Fashion is indeed lavish in the latitude she allows the new hats. And this spring display is faithful in following her dictates. Bright patent leather, horse hair, fancy braids, lisere, raphia, lacquered flowers and wings, batavia cloth, hair cloth, cellophane and exquisite glistening straws make modes that range from the piquant, tip-tilted turbans to the pictorially trimmed flower laden hats. All these lend their presence to this spring display. The new Le Wharton chapeaux, which are made in black only, feature distinctive style treatments of hair braid, maline and wings. VAUDEVILLE TRYOUTS SLATED FOR MARCH 20

Best Ten Out of 25 Acts Will Be Selected for Completed Program.

Out of the 25 acts to be presented by the campus organizations, the ten best acts will be selected in the tryouts for presentation at the varsity vaudeville March 20. Pat Keeley, manager of A. S. U. M. night, announces that ten of the best remaining acts will probably be used in a show to be given in convocation hall before A. S. U. M. night. This show will give almost all the organizations a chance to present before the public the results of their work. A small admission will be charged at the show to be given on the campus.

Manager Keeley reports that the Alpha Phis are intending to stage a big performance that will give any fraternity on the campus a race in the tryouts. Keeley states that the Art league has plans for a show extraordinary but are keeping them secret. He says that the Thetas are planning an act that will rival the best of Pantages productions. The Kappas, Delta Sigma Chis and Delta Gammas are keeping mum but promise big surprises at the tryouts. The men's fraternities also refuse to give out any information in regard to their acts. Simpkin's hall claims to have a world famous actor getting up a show for them that outclasses anything ever staged in Missoula. From all appearances, reports Keeley, the Craig Hall bunch are going to spring a Dark Town Strutter's Ball.

As a result of action taken by University authorities, someone must be directly responsible for all student performances. The executive committee of the student council has voted to hold themselves responsible directly to Chancellor Elliott for anything that appears A. S. U. M. night.

UNIVERSITY GRADUATE PAYS VISIT TO CAMPUS

John Harold Hill, who graduated from the school of chemistry of the University last quarter, visited the campus Saturday. Hill and George Turcott, who is also a graduate of the chemistry school, are employed at the Anaconda Copper Mining company's smelter at Anaconda, where they have recently been making tests of the smoke which goes through the "big stack." Hill was here recuperating from a slight attack of influenza at the home of his mother, Mrs. Alice M. Hill, at 431 Daly avenue. He returned to Anaconda Sunday.

Lottie Helvick, '20, spent the weekend at her home in Darby.

TOWN QUINTET WINS WOMEN'S HOOP TOURNEY

(Continued From Page One.)

throw as the half ended with Town leading, 25 to 23.

Second Half.

The second half started with a rush, Theta forging to the lead. Town could not find the basket with consistency. McAuliffe made three baskets in a row before Burkhart found the ring for Town. Wagner then scored, followed by two free throws by McAuliffe. This ended the Theta scoring for a while and after the Town rally Theta no longer had a chance to win. McAuliffe made three baskets but could not help the Greek sister because of the basket shooting of all of the Town five except Anderson, who was playing a wonderful guarding game. The contest ended Town 47, Theta 38.

The bright stars of the contest were Burkhart and Anderson for the Town, although it was the team work and not star playing that has landed the Missoula co-eds in first place in the tournament. For Theta McAuliffe was the bright star and without her Theta would be lost. She had able support from Bruneau and Wagner.

Kappa 46, Craig Hall 21.

In a game that placed Kappa in a tie with Theta for second honors Craig Hall went down to defeat 46 to 21. The game was slow and at no stages of the contest did Craig Hall have a chance to win. The playing of Whiteside was the outstanding feature of the contest. Newman again showed she was one of the leading point winners of the tournament. For Craig Hall Pearsall and Degenhart were the bright stars.

NO GYM FOR GIRLS

Girls who have had the flu this winter will not be required to take any more gym this quarter, according to Miss Lucille Leyda. The girls will be given a different grade and if next quarter's work is satisfactory, credit will be given for two quarter's work.

UNIVERSITY MEN ASK MILITARY APPOINTMENT

Frolicher and Smithers Are Recommended to West Point Academy.

Samuel Smithers and John Frolicher have been recommended to Senator Walsh as candidates for appointment to West Point Military academy.

Each state is allowed four candidates chosen from the state at large upon the recommendations of the senators. Because of the failure of two of the appointees there are at present two vacancies to be filled in Montana. Senator Walsh, through A. J. Violette, attorney at law, who turned it over to the University R. O. T. C., has asked for candidates. Captain A. C. Cron announced that Smithers and Frolicher were the only men to respond.

According to the War Department Bulletin, for each vacancy from the state at large, three candidates should be nominated, one to be named as principal, one as first alternative, and one as second alternative.

Mr. Violette says that he expects to hear from Senator Walsh in a few days concerning the candidates.

SOLDIER DEAD TO HAVE FITTING MEMORIAL, PLAN

"We should erect a monument or give some more lasting memorial for those who gave their lives in the great war," is the proposition that Mac Gault, as chairman of the Student Council, will offer at the student convocation Thursday.

Little pine trees at present are the only visible memorial to the University's heroes who laid down their lives in the recent conflict.

FORESTRY SPRING CAMP IS ON FLATHEAD LAKE

Men Will Depart About May 1; Back for Interscholastic Track Meet.

The annual spring camp of the forestry students will probably be at Flathead lake, near the University biological station this year, according to Dean Dorr Skeels of the school of forestry. The camp will start about May 1 and will break up in time for the men to be back for the state interscholastic meet, May 12 to 15.

All the field work in silviculture and other forestry studies will be done at the camp. This feature of the forestry course is considered one of the most valuable opportunities the University is able to offer on account of its geographical position, according to Dean Skeels.

Gladys Lines and Neola Hollenstein spent Sunday at their respective homes in Victor.
